Who are we?

Brill Coffee was an idea dreamt up from our iconic hillside village in Buckinghamshire to fill a gap in the market - offering exceptional coffee to our local community.

Nobody should settle for mediocre and our coffee stands out from the crowd. Working with local suppliers we can now deliver a range of options to bring Brill Coffee to your business, location or event.

Private Event? Corporate Booking? Festival? Film/TV Shoot?
We've got coffee for that....

- and more ++

Meet Barbara

Our compact van, affectionately known as Babs, is a unique addition to any event.

Taste the difference

Working with our local roastery, NewGroud Coffee, we use only the finest, ethically sourced, speciality coffee.

Keep it green

All of our coffee cups and lids are 100% compostable - both commercially and home compostable.

Not just coffee

We can offer a range of homemade cakes, freshly baked pastries and soft drinks in any package.
